# Blue Ribbon Quality

You are invited to a unique Sussex County event—the 4-H Market Animal Sale. It's a great way to fill your own freezer with fresh homegrown beef, lamb, pork, or goat. Alternatively, you can donate your purchase to a local charity.

Starting with the Grand Champions, this year's Blue Ribbon quality hogs, sheep, goats and steer raised by Sussex County 4-H members, will be auctioned, raising money for the 4-H members and local charities in our community.

The Sale Committee arranges all transportation, processing, and delivery. Buyers can share the purchase of an animal with friends, family and co-workers.
